

CSA Financial Cloud Forum 2018 Post Event Report

16 May 2018 | Hong Kong Convention and Exhibition Centre, Hong Kong

With the finance sector starting to adopt cloud computing, the CSA Financial Cloud Forum provides a platform for senior management and experts from IT, risk management, audit and other relevant departments in financial institutes and cloud service providers to come together. Hot issues such as fintech, information security, financial big data, the latest technology and innovation, case studies will be discussed to promote financial cloud computing sustainable and healthy development. Join us at the CSA Financial Cloud Forum 2018 to demonstrate your thought leadership in this area.
