

# SEA Cloud & Datacenter Awards Summit 2021 (Singapore, Indonesia, Thailand)

<https://w.media/sea-cloud-datacenter-awards-summit-2021-singapore-indonesia-thailand-2/>

Southeast Asia has seen some of the most dramatic and rapid developments in the cloud and IT industries over the past 18 months, and now is your chance to come together alongside top minds in the ASEAN region to discuss these transformations.

This Awards Summit dives deeper into Singaporean, Indonesian, and Thai digital industries. As part of our ongoing Awards Season, we will announce shortlisted candidates for the SEA Awards that has proven to be outstanding in terms of innovation, sustainability and leadership capabilities, while featuring those markets' unique DC & Cloud development trends through presentations and discussions.

Join us as we dissect remarkable developments in a series exclusive of keynote presentations, panel discussions, and 1-on-1 interviews.
